

FOR IMMEDIATE RELEASE

American Trailer & Storage Announces Acquisition of Three Companies

KANSAS CITY, Missouri, August 23, 2007 –American Trailer & Storage, Inc., today announced that it has acquired the transportation and portable storage rental fleets of Trailer Sales, Inc., Trailer Leasing, Inc., and Warehouse on Wheels in Lincoln, Nebraska which forms the beginning of American Trailer & Storage's new operation in Nebraska and Iowa. The addition of a location servicing southeast Nebraska and southwest Iowa to the Company's operations in Kansas City and St. Louis gives American Trailer & Storage strong regional coverage throughout Missouri, Kansas, Nebraska, Iowa and southern Illinois.

Dick Honan, American Trailer & Storage's Chairman and CEO, noted, "The demand for our equipment in the Lincoln and Omaha region is growing and the previous owners did an excellent job serving the market. We will now focus on growing the market and providing the industry-leading customer service that professionals demand." The combination of the assets adds new product lines for American Trailer & Storage including a dealership for Stoughton Trailers.

Steve Blum, owner of Warehouse on Wheels, Inc. and co-owner of Trailer Sales, Inc., and Trailer Leasing, Inc., will join American Trailer & Storage, Inc. Blum states that, "I decided to sell my company and join the American Trailer team because I wanted to focus on my customers and growing the business rather than the day-to-day responsibilities of accounting, marketing and paying vendors."

American Trailer & Storage provides secure, accessible temporary storage and transportation for a diversified client base of over 800 customers in 75 different industries. Headquartered in Kansas City, Missouri, American Trailer & Storage currently has operations in Kansas City, St. Louis and Lincoln, Nebraska. The Company primarily rents and sells equipment in Kansas, Missouri, Nebraska, Iowa and Illinois. Customers use the company's products for a wide variety of storage and transportation applications, including the storage of retail and manufacturing inventory, protection of construction materials and equipment, handling peaks in shipping cycles and transporting material to and from customers' or their construction jobs.
